APPLICATION PROCESS AND FEES

The fee for this Fall Term (2017) Intermediate Classical Greek course is \$750. Since this represents a new series of courses in the classics, the Erasmus Academy is making it easy and affordable to participate in this class. Accordingly, any student may attend any first four classes free of charge. That is, regardless of when a student begins (Sept. 14, 21, 28, etc.) she or he may attend and take part in the first four classes at no charge. The only requirement to attend is to fill out and submit this Intermediate Classical Greek Enrollment Form. (Send it as an email attachment to the Erasmus Academy email indicated below.) To continue enrollment after the fourth class, the course fee of \$750 must be submitted online (through the website below). A student also has the option of withdrawing before the seventh class, by writing (email) or phoning the EA Admissions Office to that effect. Thereupon, \$675 will be refunded to the student. An illustration will clarify this. Let us assume that a student begins this Fall term course on Sept. 21, 2017. She or he may attend three more classes free of charge: on Sept. 28, Oct. 5, and Oct. 12. To continue to attend the 5th class on Oct. 19, the \$750 fee must be paid through the Erasmus Academy online shopping cart. To withdraw and receive a refund the student needs to inform the EA Admissions Office to this effect before the 7th class, in this case before Nov. 1, 2017. Thereupon, \$675 will be refunded to the student.
