

Erasmus Academy Summer Language Program 2018

Spanish for Reading *Online* May 21 – July 12, 2018

Purpose

This intensive course is designed for graduate students preparing to take the Spanish proficiency exams for masters and PhD programs, and for any other college student, adult or motivated high school student desiring to cover a year of college Spanish in eight weeks. It provides a thorough presentation of Spanish grammar and introduces the student to expository prose, with the emphasis on reading and translation. No previous knowledge of the language is required. The objective of the course, approximating a full year of university instruction, is to bring the student to an intermediate reading level, enabling him or her to read modern scholarly articles in Spanish. Following this course, the student would be prepared to enroll in second year college Spanish.

Course Structure

As a distance learning course, students may take this class from any location or from the convenience of their home. They will need to have access to the Internet. The course meets in “real time” and participants are expected to attend all the scheduled sessions. Each student participates fully in each class by listening and speaking, translating and posing questions. Assignments are emailed to the Instructor. The 8-week course meets two times a week (Mondays and Thursdays), 6:15pm-9:15pm EST; it comprises 48 hours of instruction. Each 3-hour session includes grammar, strategies for analyzing Spanish sentences, vocabulary & verb review, sight-reading, and quizzes. Presuming 4 hours of outside preparation for each hour in class, 30 hours (6 + 24) a week should be available for study. In the latter half of the course, participants have the opportunity of translating additional texts in their area of study, be it history, Romance languages & literatures, comparative literature, philosophy, international politics, music history, religion, art, archaeology, etc.

Required Texts

The class will use the following texts. You are encouraged to search for used copies (unfortunately, the first is quite expensive but it is the best text available).
