Good commitment to the student. We got updated almost daily during the course.

Tarsisius Sigho

Generally, all contact with the Academy was very good. The assignments and quizzes could come a bit earlier though. I didn't do a single quiz on time because they always came around 3PM or 4PM the day they were due and I was at work.

Brittany Emens

Just fine, the mailings were timely and the communication was great.

Kathryn Poticher

Very good, easy to register, easy to log in, emailing back and forth assignments simply.

Joseph Rong Pin Li

No problems. Mary Ann is always extremely helpful and pleasant.

Renee Mitchell

Very efficient in all respects.

Rene Mercado
